HOLIDAY GIFT GUIDE 2008

It is the exciting holiday gift season! Take the frenzy out of shopping with Wilshire Garden Market. Large and small, hostess and stocking stuffers, new homeowner, Mom or Dad, you will find a wonderful gift to give or to receive.

Savor the Season

Luxurious beeswax botanical candles release delicious fragrances reminiscent of classic holidays. Fill your home with the scents of apples, oranges, ginger, cinnamon, and clove in Spicy Apple or Bitter Orange Spice; available in four sizes that burn up to 300 hours.

Holiday tea towels are merry hostess gifts!

A colorful gift, outdoor pillows add festivity to porch and patio. Durable and washable, they can be enjoyed the entire holiday season for years.

Make a glimmering forest on mantle, table top, or buffet with mercury glass ornaments and votive holders. The mercury glass captures the magic of the season with the reflections of flickering candlelight. Embellishments enhance the experience!

Gifts for the Avid Gardener

A real gardener's treat! The tub trug, with handles rated to 150 lbs., can be used for carrying clippings or fall leaves, and potting soil. Waterproof, it is handy for working with water gardens and ponds. Fill with an assortment of gardening tools and everyone's favorite essentials including Weeder Gloves, Joyce Chen garden scissors, and soil scoop.

A handy book for all good gardeners, *The Best Garden Plants for Oklahoma* lists and illustrates plants that will thrive in Oklahoma's difficult climate. This book is made to be used over and over again. Get it for your favorite gardeners.

Small hand tools are the most often used by avid gardeners. Give your gardener tools that are unique, well made, highly effective, and durable. Choose from our hand-forged steel Hori Hori knife, disc weeder, Trake (combo trowel and rake), Dutch hand hoe, Korean weeder, or Bahco folding saw.

Gifts for Mom, Dad, Couples

Anyone who owns a rain chain will never chant 'Rain, rain, go away!' These solid copper double link rain chains make watching rain a delight. A rain chain is a good housewarming gift or for that hard-to-buy-for person.

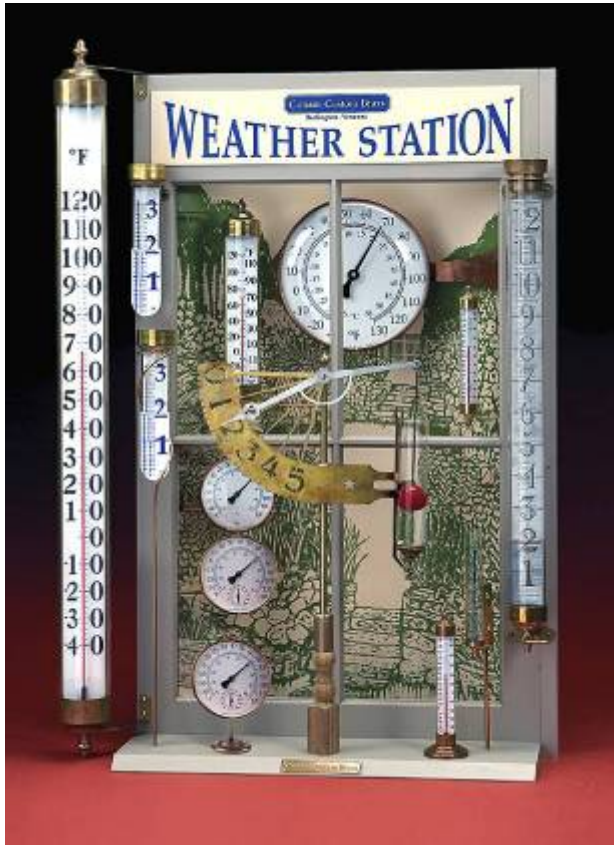

Place this unique statue where it is visible from inside the home. Three birds perch on intertwining branches, while a small planting compartment in the back will accommodate flowering plants or trailing vines for softness.

Just in! Use this fashionable oilcloth tote for garden tools, grocery shopping, transporting a laptop computer, workout clothes, or needlework, you name it! Sturdy, waterproof, and stylish, these "green" bags come in a variety of colors and fabric patterns.

Our French milled soaps make luxurious gifts for friends, club gifts, and stocking stuffers. These soaps are enriched with Shea butter, making them naturally moisturizing. They seemingly last forever, gently filling a powder room with delightful scents.

Weather instruments are popular gifts to give and to receive. From table top, ground, or wall mounted, we have a full line of rain gauges and thermometers in a variety of shapes and sizes. They are the perfect gift for hobby meteorologists, for gardeners to measure their microclimates, for the person who has everything, and for couples' gifts.

The soothing sound of flowing water from a fountain can calm your soul. Water in the garden is an essential element. Fountains from traditional to Zen in style are in stock, ready to be delivered locally and set up at no charge. Adding even a small fountain to your garden is a good investment and a thoughtful gift for anyone.

No garden is complete without at least one bird bath. A great gift for the birds as well as the gardener, this small, charming classic style bird bath easily complements a variety of garden settings.

For the garden king or queen, or simply to add a regal presence to the garden, a crown is the ideal embellishment. Crown a pair of planters at the entry, strategically place one in the garden, atop a pillar or fence post; get creative! Unique gifts handcrafted

by Oklahoma artisans, the crowns are available in sizes, 23", 17", and 11".

Art calendars are useful gifts that are beautiful as well, a gift that many look forward to receiving. It is fun to change to a new piece of art each month; hang them in one of the wall frames or

display them on a desk top in a small easel frame. Available are Susan Wallace Barnes, Linnea, Hannah, Four Seasons, Dog Days, and Flowers. The Four Seasons desk top calendar pages are also postcards.
